# AYR WELLNESS DISPENSARY RULES, ACKNOWLEDGEMENTS & AGREEMENT

Ayr Wellness, doing business as Twice the Wellness, strives to create a safe and secure environment to offer relief to its valued patients while providing medical cannabis, cannabis-infused or derived products, and related products and services. For the protection of its patients, Ayr Wellness, its employees, and their patients must adhere to stringent statutes, regulations, policies, and best practices. Accordingly, it is imperative that the following rules be followed at all times. Thank you for your cooperation and understanding.

- For the protection of our patients' privacy and security, Ayr Wellness strictly prohibits photography and video recordings in the dispensary. Consumption of food and beverages is not allowed on the sales floor during cannabis dispensing hours, except for medical reasons. Additionally, loitering outside the dispensary before or after completing a transaction is not permitted.
- No consumption or vaporization of cannabis is allowed within the dispensary premises, parking lot, or surrounding area.
- Patients are not permitted to touch any items containing medicine until their transaction has been completed.
- Patients are required to refrain from opening any cannabis product package in the dispensary or parking lot. All cannabis products must be opened only in a private residence or property to comply with local and state laws.
- Distribution, sale, or sharing of cannabis products is strictly prohibited as it violates local and state laws.
- Weapons of any kind are strictly prohibited on Ayr Wellness premises.
- Any inappropriate behavior or language may result in being asked to leave the dispensary, and repeated offenses will lead to a permanent refusal of service.
- Ayr Wellness emphasizes that public use or onsite consumption of medical marijuana, illegal drugs, tobacco, or alcohol is strictly forbidden on the dispensary's premises.
- Ayr Wellness reminds you that the U.S. Food and Drug Administration (FDA) has not approved cannabis as a safe and effective drug for any indication. Cannabis remains a prohibited Schedule I controlled substance under federal law. Although state law may permit the manufacture, distribution, possession, and use of medical cannabis, you acknowledge its status under federal law and assume all associated risks. You release Ayr Wellness and all related parties from liability arising from your purchase or use of medical cannabis, cannabis-infused or derived products, or related services.
- Medical cannabis may have side effects, including but not limited to increased heart rate, dizziness, lightheadedness, shallow breathing, loss of balance, slowed reaction time, increased appetite, and mood effects. By procuring or using medical cannabis or related products and services from Ayr Wellness, you assume all associated risks.
- While under the influence of medical cannabis or cannabis-infused products, you agree not to engage in any potentially harmful or injurious activities, such as driving a motor vehicle or operating machinery.
- For any adverse reactions, please call the Board's toll-free number (1-833-464-6627) and contact your recommending physician.

If a patient violates any part of the regulations or rules set forth, Ayr Wellness reserves the right to refuse service either temporarily or permanently.
